

# QUILT BINGO – Fabric Card Instructions

For the June guild meeting we will be holding a Quilt Guild Bingo! The idea was originally published in September/October 2006 Fons and Porter magazine. Each member is asked to make a fabric bingo card and use buttons as makers. The tickets will be called out, ie "Under the blue row, paisley". If you have such a square, place a button marker on that square. The first person to cover one row of 5 squares in any direction wins. We will be playing multiple games using the same block.

The card is made up of 25 – 2.5 inch fabric squares. You will need to make 5 vertical color rows:

- 1) BLUE    2) RED    3) GREEN    4) YELLOW/ORANGE    5) PINK/PURPLE

You will use one **BLACK** piece for the center block.

The **categories** will be batik, floral, geometric, heart, leaf, metallic, holiday, novelty, paisley, plaid, solid, star, stripe or 1930's prints.

**\*\*The rows can be in any order, except that row #3 must have a black center.**

As you are joining the squares, please use an accurate  $\frac{1}{4}$ " seam allowance.
