

# GIANT BLOCK TUTORIAL SERIES

## February

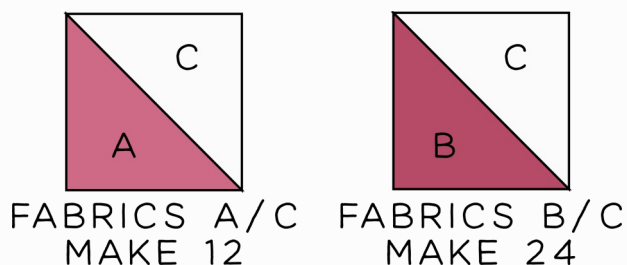

Listed below are cutting instructions and a tutorial for making a 24" or 36" block. If you would like ideas on using these blocks in a quilt, check out the Giant Block Tutorial Series posts at [kitchentablequilting.com](http://kitchentablequilting.com).

These instructions are for making a single block. I made the example block in 2 colors, but you can use a single color or make the block scrappy.

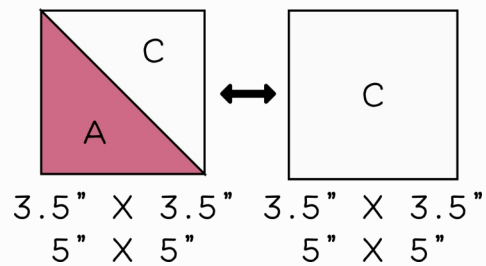

### CUTTING INSTRUCTIONS

	A	B	C
24" BLOCK	(6) 4" X 4"	(12) 4" X 4"	(18) 4" X 4" (12) 3.5" X 3.5" (4) 6.5" X 6.5"
36" BLOCK	(6) 5.5" X 5.5"	(12) 5.5" X 5.5"	(18) 5.5" X 5.5" (12) 5" X 5" (4) 9.5" X 9.5"

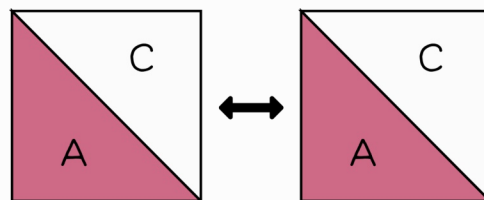

Make half square triangles using your desired method with the 4" squares for the 24" blocks and the 5.5" squares for the 36" blocks.

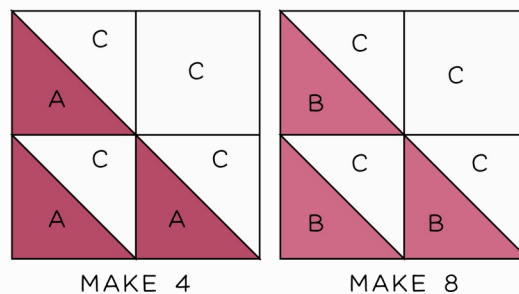

Sew together an A/C half square triangle (HST) and Fabric C square.

Piece together (2) A/C HSTs.

Sew together the shapes from the previous two steps and make the number indicated.

Sew together the pieces to complete the quilt block.
