

GIANT BLOCK TUTORIAL SERIES

April

Listed below are cutting instructions and a tutorial for making a 24" or 36" block. If you would like ideas on using these blocks in a quilt, check out the Giant Block Tutorial Series posts at kitchentablequilting.com.

CUTTING INSTRUCTIONS

	A	B	C	D	E
24" BLOCK	(1) 9" X 9"	(2) 7" X 7"	(4) 7" X 7"	(2) 7.5" X 7.5"	(2) 7.5" X 7.5" (4) 6.5" X 6.5"
36" BLOCK	(1) 13.25" X 13.25"	(2) 10" X 10"	(4) 10" X 10"	(2) 10.25" X 10.25"	(2) 10.25" X 10.25" (4) 9.5" X 9.5"

1. Take the Fabric B and Fabric C squares and cut them once along the diagonal.

2. Make (4) Fabric D/E half square triangles (HSTs) using the 7.5" squares for the 24" block and the 10.25" squares for the 36" block using your preferred method. Do not trim.

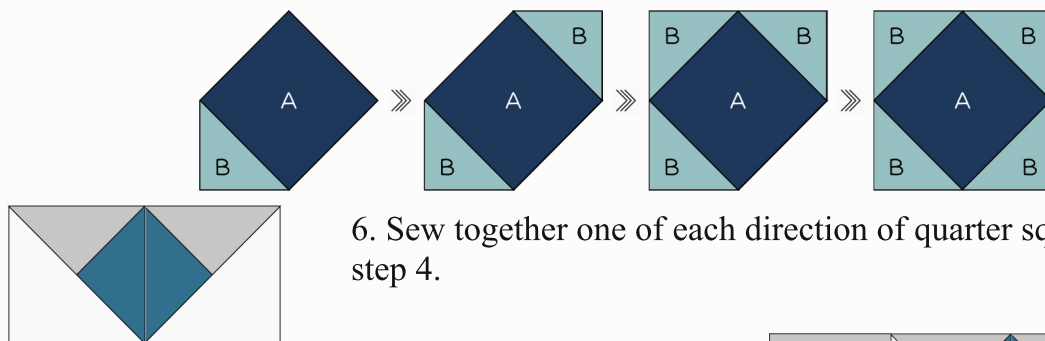

3. Cut each HST along the diagonal.

4. Take one of the Fabric C triangles from step 1 and piece it to one of the resulting shapes from step 3. Repeat until you have (4) of each of the objects in the image to the right.

Trim each one to 6.5" x 6.5 for the 24" and 9.5" x 9.5" for the 36" block.

5. Take the Fabric B triangles from step 1 and the Fabric A square. Piece a triangle onto each side. If you are making the 24" block, trim this down to 12.5" x 12.5." If you are making the 36" block, trim it down to 18.5" x 18.5." *Note: Before sewing on the triangles, fold the triangle and the square in half to leave a crease. Line up the creases when pinning.*

6. Sew together one of each direction of quarter square triangle from step 4.

7. Take 2 of the pieces from step 6 and piece a Fabric E square onto each side.

8. Take the remaining 2 pieces from step 6 and piece them onto opposite sides of the square from step 5.

9. Piece together the block.
