President's Message

Let's Get Together!! February 2022...

WOW!!! What a great meeting in January. We had 62 members, 9 new members and 6 guests. This month, we continue to celebrate our ability to meet in person. Even with the spike of Omicron in January. We still ask that you wear a mask (except when eating), because, at present, it is the Church's policy.

The Quilt Show update: Unfortunately, we did not meet our goal for quilt entries. Therefore, it has been extended. You may mail in entry forms for quilts with post mark date of no later than February 1st.

- 1) Sign-ups for Volunteering at the Quilt Show are ongoing. Please check your calendars to check when you are available to help with the Show. Mary Majestic @ 843-693-8946.
- 2) Donations for the Basket Walk are ongoing. Splinter Groups, please remember to help. Debra Busby @803-727-3230.

Block of the Month: the first block (nine total) instructions will be in this newsletter. Barb will also demonstrate the block during the lunch period.

UFO Challenge: the form for listing your 12 unfinished projects will be included in this newsletter. Cheryl Wheeler's contact information is on the form.

Ways and Means: Remember to clean out your sewing rooms, closets, etc. There will be bins for collecting books and stash busters: thread, rulers, notions, patterns, fabric, well intentioned/ unfinished projects, etc. for sales in April and September, to raise money for Programs, Scholarships, and Community Outreach. Quilters Treasures also needs donations for the monthly raffle that routinely raises money for the Guild.

Program: Jeanne Pedersen will have a trunk show "Quilt Soup." How to put together orphan blocks successfully. She will then lead a workshop in the afternoon incorporating all the orphan blocks that have been donated. If you have discovered some "lost" blocks, please bring them for the workshop.

Also, if you have any flannel-backed table cloths, please bring them to use as design walls.

The lunch experiment was a success. This month we will be having Quilt Soup. Not fabric, but a nutritious and varied selection of soups: minestrone, potato, taco, turkey noodle, etc. We ask that you bring your own mug for the soup and your particular preference of crackers. Bottled water will be provided. And a selection of homemade desserts provided by volunteers. A \$5 donation is requested to pay forward for the next month's lunch. Thank you!

I thank everyone for sharing their time and energy during the meetings and for all your help with the upcoming Quilt Show. Remember Show and Tell. We enjoy seeing and being inspired by everyone's creativity.

Remember to bring: nametag; flannel-backed tablecloth (if you have one); show and tell; mug, crackers and \$5 for lunch; verified dates you can volunteer at the Quilt Show; and your energy and smiles and ideas!!

I look forward to seeing everyone Saturday February 12th, 2022!!!

Linda Ambrose

Minutes From January 8, 2022, meeting

Our new President, Linda Ambrose, called the first meeting of the new year to order at 9:30 a.m. at Yeamans Park Presbyterian Church. There were 62 members and 6 guests present, including Alexis Barbalace, our speaker from the Low Country Food Bank. We added 9 new members at this meeting.

Quilt Show - Melissa Pate made pertinent announcements about our Quilt Show which is quickly approaching. Registration of quilts for the show were taken on the day of the meeting and will be accepted through January 13, 2022.

Deborah Busby explained how the Basket Walk will operate and asked everyone to bring items to be included in the baskets. The Lowcountry Food Bank is our chosen charity for the Basket Walk this year and Deborah introduced our speaker, Alexis Barbalace, who gave a very informative description of the Lowcountry Food Bank and answered many questions on how it benefits the citizens of our community.

Community Outreach - Barb Troeger, our Community Outreach leader, announced that last year we donated 327 quilts to various causes. She filled us in on the sizes and needs for quilts for the upcoming year.

Recognition for Karen Kendo - June Bojac presented a gift from the Guild to Karen Kendo in appreciation of all her efforts last year to keep our Guild running during the difficulties encountered during the Covid shutdown.

After a short break, we continued with Show and Tell.

The meeting was adjourned at 11:25 a.m.

Respectfully submitted by Brenda Curtis

Substitute for Guild Secretary Elaine Woodward

Thank You, Cobblestone

Dear Cobblestone members,

Thank you very much for your gift certificates to Angel Oak Stitchery and Wild and Wooly. I will definitely put them to good use and enjoy the shopping.

It was a honor to serve as your president and have your trust and support during such unprecedented times. I pray for the day we can stop hearing about a pandemic and rates of illness, etc. I pray until then that you all remain safe and healthy and continue to take the necessary steps to protect yourselves and others.

I rest easy knowing you are in the hands of a good person to lead us in 2022.

Keep quilting!

Karen Kendo

Programs

What a fun time we had at our January meeting! We had such a great turnout of our members, new members, and guests. It was a wonderful way to start the new year.

We are really looking forward to our February program and workshop with Jeanne Pederson's "Quilt Soup" trunk show and afternoon workshop. We have collected lots of orphan blocks for the workshop during which Jeanne will guide us in designing quilts that will later be sewn into quilts for charity. But we still need more orphan blocks! Those blocks that are collecting dust in your sewing room might just be the perfect ones to finish off a fun design. And don't forget, we'll be having soup for lunch. Bring your own bowl/cup, and bring whatever crackers or bread you like to have with soup! Bottled water will be provided, but feel free to bring your own beverage.

No meeting in March due to the Quilt Show!

Our April meeting will be focused on Beginning Quilting. Our very own "Gadget Gal", Martha Ferguson, will be presenting the program showing us all the latest tools and the afternoon Beginning Quilting workshop will be lead by Linda Ambrose and Barb Troeger. Plan to stay and sew with us!

Our May program is to be announced, but the afternoon workshop will be a Quilters Day Out lead by Karen Kendo entitled "No More Triangle Terror!" I look so forward to learning tips and tricks from Karen!

In June, we will have our first in-person out of town speaker in ages – Candace Hassen is coming to present her trunk show entitled "Inspiration," and in the afternoon, she will teach her class entitled "Sonja's Windows!" Registration info to follow soon!

We have lots of additional programs in the planning stages, and it is our hope that you will plan to join us for our programs and afternoon workshops!

Julie Sander, Vice President and Programs Chair

Quilter's Day Out

No More Triangle Terror!!! Master the Half Square Triangle and the Quarter Square Triangle in this Quilters Day Out workshop taught by Karen Kendo. Saturday, May 14, 2022. 12:30 until 3:30. Being able to accurately piece half square triangles and quarter square triangles will take you piecing to a higher level. Never chop off another point!! Kits will be available . If you choose to use a kit we would like you to donate the blocks made in the workshop to our Community Outreach program. Or you can bring your own fabrics and keep the blocks to incorporate into your own quilting project. You will need 4 fat quarters of four different colors or four values of the same color (light blue, medium light blue, medium dark blue, dark blue for example) plus a fat quarter of a back ground (white or cream - solid or tone on tone).

Karen Kendo, Quilters Day Out

Community Outreach

Valentine's Day is just around the corner! Where has this year gone?

We have been busy in Community Outreach washing quilts, sewing labels on charity quilts, and getting ready to distribute them.

- Remember we have added a new charity to our list: **Oakbrook Nursing Home in Summerville**. We need 85 wheelchair size quilts that range from 33 wide to 42 long. Any size within that range works well. I love one yard backing! So easy to quilt on the machine with straight or decorative stitches. Easy patterns are the best for these quilts. You can sew on binding rather than by hand since it goes through commercial washing.
- Please WASH all completed quilts before turning in...makes it less work for our committee. Of course, if you can't, turn it in and we will wash. **Shout color catchers** work so well when washing quilts. You can always buy on Amazon.
- Don't forget that BOM, President's Challenge, and Community Outreach are partnering for a charity quilt as well.

Here is a list of Charities Supported by **Cobblestone Quilt Guild** and Splinter Groups (approximate sizes) Initials in brackets refer to Splinter Group

- **Doors to Freedom for girls 10-20 of sex trafficking:** 60 by 85 bed, pillowcases
- **My Sister's House for domestic abuse (PG)** 60 by 85 bed, 50 by 60 lap, 60 by 60 lap, pillowcases
- **MUSC Children's Hospital (Ducks):** 40/42 by 40/42 baby, 50 by 60 child
- **Newborns in Need (QNF, DDQ):** quilts 40 by 40, bibs, burp cloths, taggies
- **Winwood Residence for boys:** (PG) 50 by 60 boys quilts
- **Royal Family Kids Camp:** 50 by 60 unisex, girls and boys
- **Home of Hope and Hopes Houses for Homeless Men and Women in Summerville** (DDQ, PG) 60 by 85 bed, comfort lap 50/60 by 60, pillowcases
- **MUSC NICU for isolettes:** 30/32 by 45/50
- **Magdalene House:** lap and twin size
- **Oakbrook Nursing Home in Summerville** 33 by 42 or any size in between for wheelchairs

Thanks for all your support! ***Busy Hands Are Happy Hearts,***

"Happiness is Quilting"

Block of the Month Quilt

These cutting instructions are for the "Happiness is Quilting" **Block #1:**

Fabric	Cutting Instructions
Vine on Blue	Cut TWO (2) 4 3/4" squares
Arrows in Grapefruit	Cut TWO (2) 4 3/4" squares
White	Cut EIGHT (8) 3 3/4" squares. Then cut the square diagonally, corner-to-corner, ONE (1) time. You will end up with TWO (2) triangles per square.

Make TWO (2) Option: To make a square in the middle blocks, cut your corner squares 1/2" larger than the pattern suggests. After sewing all four corners on the center square and pressing them, trim the squares they are the exact size you need. This helps eliminate uneven or incorrect sized blocks.

Make TWO (2)

Calling all scrap hoarders!! Do you have too many scraps in your sewing studio? I know I have. Well, I have GREAT news for you!! As I was sitting at the Fair with Donna Walters in October, Marlene Williamon came up to chat with us. She was friends with our own Patty Meeks and.....she has taken over collecting scraps and making pillows for the animal shelters!! YEAH!!!! So, get those unwanted scraps together and get in touch with Marlene.

Note:
Remember to
clip your
corners.

Note: When sewing a square in the corner block, lightly press the center square in half each direction (vertical & horizontal). When adding your triangles, be sure the triangle points match up with your pressed lines in the center.

Looking for sewist/quilter

I am exploring starting an e-commerce shop using the fabric from Japanese kimonos. I am looking for skilled quilters to make scarves and other accessories. It would be piece work paid by the finished product that was delivered on your own time and schedule. The silk scarves are generally 80 inches by 14 inches that are joined with one center seam and the lining might have two or three seams. There is some invisible hand stitching and, of course, ironing. I will have written instructions on the steps that I take when I make a scarf. I need help in determining what is the appropriate price for the piece work. If you are interested, I will give you the makings of a scarf and ask you to determine the price for your work. I am hoping to develop a number of working relationships with guild members that are profitable for everyone involved. I can be reached on my cell phone at 843-437-2616, or by email at susansmythe49@gmail.com. Susan Smythe
