### President's Message

#### Let's Get Together!! April 2022

WOW!!! What a fantastic Quilt Show. I cannot count how many people stopped me and stated how wonderful the quilt show was. Thanks to the Quilt Show Committee, the quilters who entered their quilts, the Volunteers who helped before, during and after the Show, the Sponsors and Vendors who participated, and everyone who visited the Show. Congratulations to everyone!!!

Now we all can settle down and plan on something other than the Quilt Show. (I plan on concentrating on my 12 UFO challenges).

We had many people interested in this guild at the Show and hopefully, they will become members. So please welcome new faces whether as guests or as members.

I apologize for not having the metal name tags ready by now. Roger informed me the end of February that he now has a purple sheet of metal. There was no way to contact everyone to see if they wanted to change their order because there was no meeting in March. So, if you want a purple name tag instead of what you signed up for previously, please see Donna Walters at the Ways and Means table to change your order. We will have the orders completed for you by the May meeting.

Everyone is welcome to stay after the meeting for lunch. A \$5 donation is requested. Sandwiches, potato chips and water will be provided. Enjoy.

I look forward to seeing everyone at the April meeting, hearing Martha's quilting gadget presentation, show and tell, and having lunch. The afternoon workshop will be twofold: a beginners instruction using BOM squares and an open sew for anyone else who wishes to participate.

## **ANNOUNCEMENTS**

### **Membership**

The 2022 Membership Form is located below. Please mail a completed form, with your check and a SASE, to the PO Box. The Member Directory is in the process of being produced and will be emailed to all CURRENT members within the next week. It will also be available on the Guild's website under the Members Only tab.

### **Newsletter**

Please submit anything you might have for the newsletter **no later than** the 20<sup>th</sup> of the month for publication the following month. Please email submissions to Pat Schneider at [dditchquilter@gmail.com](mailto:dditchquilter@gmail.com) with "newsletter" in the subject line.

**REMEMBER** that we do a good deal of communicating via the Guild's Facebook page. If you want to be included, send a request to join on the Guild's page.

Pat Schneider – [dditchquilter@gmail.com](mailto:dditchquilter@gmail.com) – 843-860-1263

### **Programs**

Dear Guild Members, What a wonderful quilt show we had! Now looking forward towards our upcoming meetings and programs, our first out of town in person speaker, Candace Hassen, will be presenting a trunk show at the morning meeting on June 11th, and she has sent photos of the quilts (see attached) that can be made using the "Sonja's Windows" pattern which she will be teaching in the afternoon class. Below is the supply list for the class. The class fee is \$45 including the pattern. Please contact me as soon as possible to sign up for the class. Payment for the class can be made at our next meeting or mailed to me at my home address: 2643 River Bluff Lane, Mount Pleasant, SC 29466.

Ms. Hassen has been invited to be a guest on "The Quilt Show" with Alex Anderson and Ricky Tims, and the show in which she will be featured will be coming out around the time of her visit! I hope you are as excited as I am to have an outside speaker come to present at the guild, and we have several more in the works for the remainder of the year (look for announcement soon)!

Thanks for your support and participation!

Julie Sander

### **Supply List for Sonja's Windows**

Sewing machine in good working order, threaded with your normal piecing thread

Pins

scissors

mat/rotary cutter (or several cutting stations for participants to share)

ruler-I prefer to have a long ruler (at least 18").

Southern Winter pattern-\$7ea (this is a \$2 discount from my usual pattern price), I will bring them with me

Some large square rulers might also be helpful-we will work with up to 14" square strip sets. These are expensive, so I wouldn't invest in one just for this class, but it would be helpful if we could have a couple to

share, or you can use the mat for these cuts. We will need a couple of irons for the group. It is not an unusual amount of ironing, and I don't really think that personal irons are really necessary

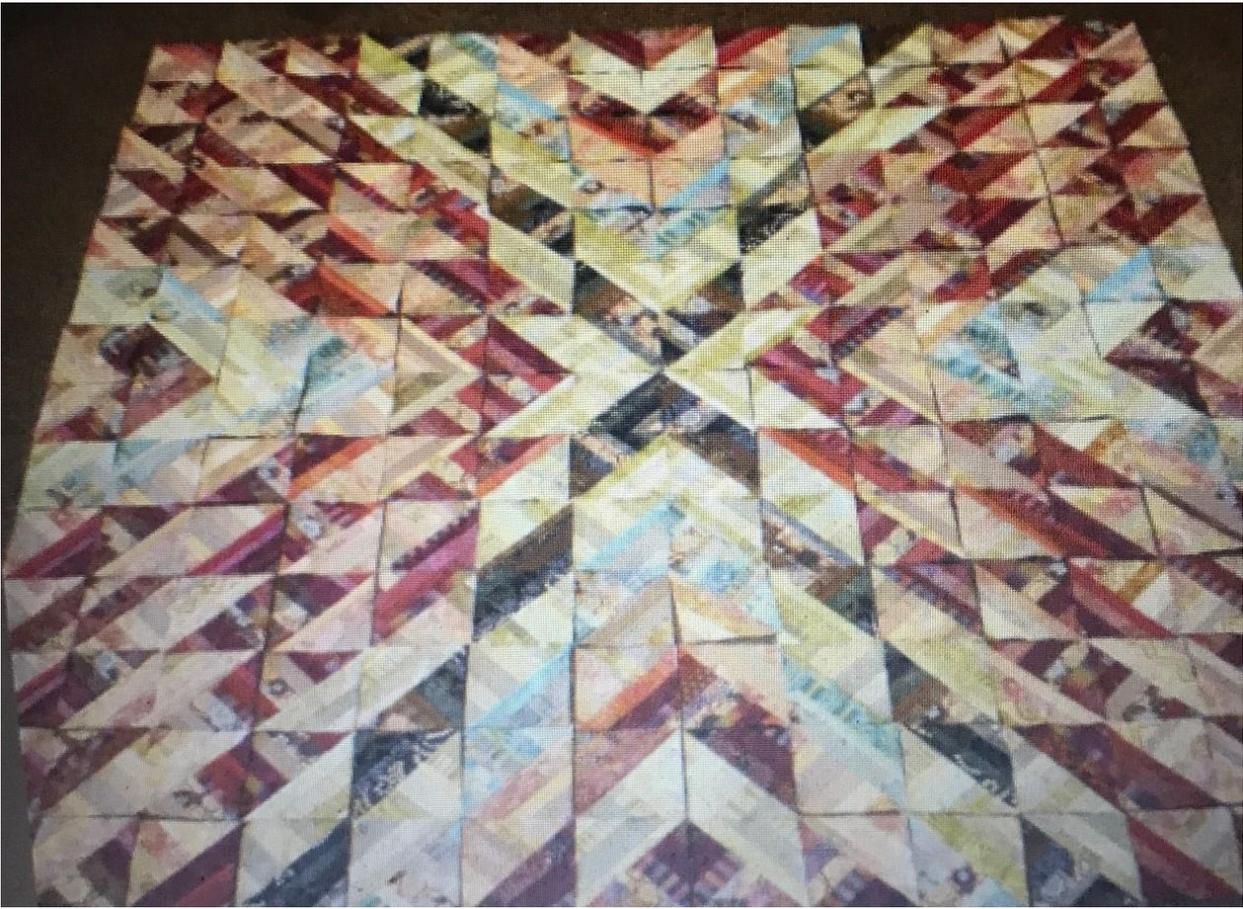

### **Fabric**

You will need a nice collection of strips that range from 1" wide to 2 ½" wide. They need to be at least 14" long. You can use shorter strips, but the shorter your strips are the smaller your blocks will be. 4" strips makes 9" blocks. 10" strips makes 6" blocks. It works well if there is some kind of color scheme that includes a good variety of colors and print sizes, and/or types of prints. For example: a collection of fall colors that includes large, medium, and small scale prints, possibly also a check, and/or stripe, or textural pattern. 2 strip sets will yield 4 blocks. The color scheme for one of the sample quilts I will bring was winter in the south. I was thinking about the grey blues of a winter sky, the light khaki/golden colors of dormant hay fields, green evergreens, red clay peeking through the vegetation, brown and gray tree bark. Another sample quilt is made from random lights and darks. But use any color scheme you like. Just know that a variety of types and sizes of prints will be beneficial. I will spend significant amount of time discussing several ways of organizing color using this technique. That is part of the fun of this versatile block.

## **Community Outreach**

This has been a busy month, not only with the show, but also Community Outreach. We have donated quilts to all the residents at Oakbrook Nursing and Rehabilitation Center in Summerville. The staff and residents were so excited to get them and each resident has been wrapped in love and comfort. Thank you, Cobblestone Members, for your dedication and hard work to make this possible!

In April My Sister's House is having a gala to support their efforts. Patti Grammling, on behalf of Cobblestone Guild, has donated a quilt for their auction. Their theme is Lowcountry and this quilt represents the colors of the ocean. It is beautiful, Patti! I know we all agree. Thank you very much for being so generous!

At the April meeting, Linda Ambrose and me, as her helper, will be offering a beginning quilting class. Basic techniques of quilting will be presented highlighting Block #7 and Block #9 of the Block of the Month Challenge. We will be having a Community Outreach sew afternoon in addition. Bring your machine and work on the BOM challenge or any other quilt you would like to work on. Please bring an extension cord, if you can. Hope to see you in the afternoon.

## **Quilter's Day Out**

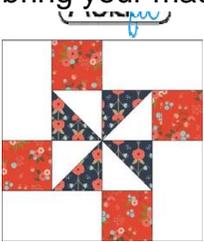

**No More Triangle Terror!!!** Master the Half Square Triangle and the Quarter Square Triangle in this Quilters Day Out workshop taught by Karen Kendo. Saturday, May 14, 2022. 12:30 until 3:30. Being able to accurately piece half square triangles and quarter square triangles will take you piecing to a higher level. Never chop off another point!! Kits will be available . If you choose to use a kit we would like you to donate the blocks made in the workshop to our Community Outreach program. Or you can bring your own fabrics and keep the blocks to incorporate into your own quilting project. You will need 4 fat quarters of four different colors or four values of the same color (light blue, medium light blue, medium dark blue, dark blue for example) plus a fat quarter of a back ground (white or cream - solid or tone on tone).

Karen Kendo, Quilters Day Out

### **BOM for April 2022**

I am looking forward to seeing more blocks completed at the April meeting. Remember, for each block completed and shown to me via email, facebook, or at the meeting, you will get a ticket to be eligible for the drawing of a gift certificate. Linda Ambrose and I will be hosting a beginner class in April using Blocks #7 and #9 and beginning quilting techniques. If you know someone who would like to dabble in quilting, please invite and have them bring a machine. Also, if you would like to work on your BOM blocks that afternoon, bring your machines and an extension cord. Looking forward to it!

Happy BOMing this month.  
Barb Troeger
