Fuse & Cut

Follow manufacturer's instructions to fuse Heat n Bond to wrong side of fabric squares.

From **top layer** fabric, cut 4" circle.

From **middle layer** fabric, cut 5" circle.

From **bottom layer** fabric, cut 6" circle.

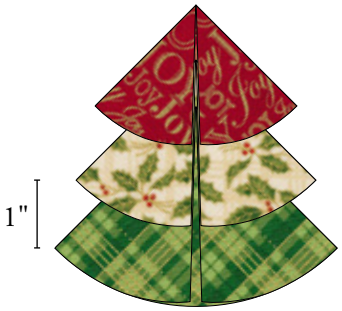
Fold & Stack

Remove paper from back of fabric. Fold circle in half, aligning raw edges. Press to fuse, forming a semi-circle.

Fold straight edges to meet in the middle. Use Wonder Clips to hold folds in place.

Repeat for all three layers.

Starting from the bottom, stack layers as shown, tucking the points of the layer below inside the layer above, about 1" apart. Use Wonder Clips to secure.



Finish Ornament

Fold elastic or ribbon into a loop, and tuck ends inside folds of top layer. Use pin to secure.

Starting at the bottom, sew up center of ornament using a zig zag or decorative stitch, being sure to secure the hanging loop well.
